#### WELCOME

This was added on in 2000 and joined the church to the building, we use this extensively as a café it is a very open welcoming space and the rear of this is a kitchenette furnished with fridge/freezer and Lincat (a wall mounted water boiler). Capacity of this room with tables and chairs set out is 25approx.

Set up with just chairs 35approx.

#### FIELD

We have a large field at the side of the church. It is fenced all the way round and lockable gate making it a safe area for children. We use this for outside Fayres, Children s Parties. At the far end of the field, we have an area that is used for a gardening club. Anyone from the community can come along on Wednesday morning 9-30-11-30 to spend some time outdoors in the garden with other likeminded people.
