Work A Miracle Day

The WAM day, held on 7th June, was a tremendous success. Whilst it is appreciated that not everyone is able to help in situations like this, there were sufficient people to form an effective working party.

There are still jobs on the list which can be done anytime, so if you feel like you can help please contact Mark Dickens.

Worship Group

It was agreed at the General Church Meeting to start a worship group to plan the Local Arrangement (LA) services which occur regularly and are led by the Stewards and congregation. The aim of the group is to give people the chance to contribute ideas, and to gain experience of leading worship.

If you would like to be involved in the group, or the next LA service on June 22nd, please contact Nick Butler, the convenor of the group nick.butler@phonecoop.coop.

Used Printer Ink Cartridges

Just a reminder. There is a box in the Welcome for you to place your used cartridges. These are recycled by Linc, a local blood cancer charity.
