Church & PFA Events 2025

Sept 27th Jumble Sale (PFA)

Men's Social

The Men's group met on Tuesday 8th July for a lunch at the Wagon & Horses. This was attended and thoroughly enjoyed by 21 Gentlemen.

There will not be a meeting in August.
 Next meeting 8th Sept (2nd Tuesday each month)

Kay and Brechan – Thank You

Can I please take this opportunity to say thank you to our Church Family once again for the continued support Brychan and I have received over the past year and again after my recent operation. The prayers, visits, the cards, the phone calls and flowers mean so much.

We have missed worshipping together each week but Diana has kept us up to date and informed. Thank you also to Peter for taking Brychan to the doctors.

We hope to be back with you soon.
 God bless you all.
 With love. Kay and Brychan x

Model Railway Show

The Show on Saturday was a tremendous effort and an even bigger success. Early indications are that we raised in the region of £2700 and gained a huge amount of respect. A very big thank you to all the volunteers and organisers.

(see the online version on our website for more images)

Here's what they say.....

Sue Woodward

The Model Railway Show was a great success despite the very hot day. Everything seemed against us, Wimbledon, and the weather. One exhibitor decided it was too hot to display his layout due to damage that the sun can do to the tracks.

All were amazed how many people attended the show because of the heat, it was the first show we have ever done in 30 plus degrees and we hope it will be the last in the extreme heat.

Thank you to all who supported this church fundraising event by attending the show or helping on the day, without you all it would not have happened. Best wishes Sue and Andy

Exhibitors

We have received a number of email complements from exhibitors who attended, singing the praises of the service provided, especially the food on offer, taxi service from the start and finish of our event and the general care received.

Visitors

The Car Park attendants chatted with people as they left and without exception they commented on what a great show it was. They travelled from far and wide.

We have a Thomas Tank Engine layout which was created by our own enthusiasts. This is put on display at our show and is aimed at young people "having a go" at driving the train. It is now going to be repaired and spruced up. Sue and Andy take it to various other Model Railway Shows together with train memorabilia to sell. All funds raised at these shows goes to Water Aid. It also enables them to engage with other exhibitors about the possibility of attending our show in the future.

This is a very big commitment each year and a very important fund raiser.
